

FORT COLLINS MUSEUM OF CONTEMPORARY ART

**201 SOUTH COLLEGE AVENUE
FORT COLLINS, COLORADO 80524 USA**

The mission of the Fort Collins Museum of Contemporary Art is to engage our community in cultural experiences that promote the creation and appreciation of contemporary art. Contemporary art is the art of our time, including living artists and those from the past whose work informs the present. The museum is particularly interested in work that responds to contemporary issues and themes, or work that uses new media or traditional media in new ways.

Art Submission Information:

Artists submitting a portfolio for general review (solo and/or group exhibitions) are evaluated twice a year by the curatorial staff.

You can expect to receive a notice regarding your work within one year of receipt of your portfolio. Please consider that general review submissions are used to schedule future exhibition calendars, and must be retained this amount of time for reference purposes.

The exhibition schedule is typically booked at least eighteen months from the present date.

Submission Requirements:

- 20 images of recent work in slide, CD (jpeg, tiff, pdf files) or DVD format.
- Resume
- Artist statement
- Slide list (title, medium, dimensions, date), with thumbnails, if electronic files
- SASE (for the return of your slides or submission materials)

Video/film, sound, installation, or other alternative media, which are difficult to document in slide format, may submit using a DVD, VHS tape, CD or similar format. A proposal that details the components of the work is helpful – please include specifications such as materials list, installation plans or diagrams, and sketches of the proposed work. Additionally, photography, videos, catalogs and press coverage of previously exhibited are encouraged.
